"You can make the difference"

Do you know what crime is?

- Crime is a dishonest or illegal act, that someone can be punished for.
- People who commit crimes are called criminals.
- You can also commit a crime by omitting to do something. For example, keeping property you found and making no effort to find the owner.

One of the simplest types of crime is stealing.

One day, Rosy went to a grocery shop to buy bread. When she saw that the shopkeeper was busy with the other customers, she stole some toffees from a jar.

When she got back home, her mother asked her where did she get the toffees? Rosy told her mother the truth.

Her mother said, "It's really very bad to steal. The shopkeeper might not be looking at you but stealing is a crime and you can be arrested by the police. Also, God is looking at you all the time. So, one should never steal."

Rosy understood the words of her mother and went back to the shop to return the toffees to the shopkeeper.

The shopkeeper felt happy on seeing her honesty and gave her some toffees as a reward.

You should always report any crime to the police, teacher or parent;

- Get involved to make school safer and better;
 Settle arguments with words, not fists and weapons; Don't stand around and form an audience.
- If someone tries to hurt you, say "no, get away", and tell a trusted adult.
- If you or anyone you know is being bullied; try to stay with a group of friends, don't be afraid, say "No" and walk away; don't argue and tell a trusted adult.
- Don't open doors to anyone you and your parents don't know or trust.

Don't forget to be net safe!

Just as you stay away from strangers on the street, be careful about strangers on the Internet.
