### **MEDIA RELEASE**

#### **Man, 29, Charged for Sexual Assault to Girl, 17**

---

A 29-year-old man will appear before the Sangre Grande Magistrates' Court today to answer to the charge of sexual penetration of a minor.

The accused, who resides at Calcutta Street, Arima, was nabbed by Eastern Division Child Protection Unit (CPU) officers following an investigation into a report made by a man that his daughter was allegedly assaulted.

WPC Williams-James commenced an enquiry into the report and discovered that the man's daughter called him sometime in October 2020 and asked that he pick her up from her mother's house because of an ongoing argument.

The man told police that when he asked as to why the woman and her daughter were arguing that it was revealed by the child's mother that his daughter was in a sexual relationship with a 29-year-old man.

A report was made to police and the suspect was later arrested on December 18<sup>th</sup> and charged with one count of sexual penetration of a minor.
