#### **Robbery Suspects Held, Stolen Items Recovered in WD**

Following a spate of robberies in the area, officers of the West End Police Station District conducted a strategic anti-crime operation on Monday 2<sup>nd</sup> December, 2024, which led to the arrest of two men and the recovery of stolen items.

During the operation, officers were placed at strategic locations in the area. Around 7:25 p.m. while patrolling along Loshon Road, Diego Martin, officers received information and observed a beige and black Nissan Tiida parked along the roadside, with two male occupants. The officers approached the vehicle and conducted a search, during which time they discovered a lighter shaped like a firearm, as well as several items that had been reported stolen during separate robbery incidents.

The officers arrested two suspects, a 32-year-old man from Cameron Road, Petit Valley, and a 24-year-old man from Scorpion Alley, Carenage. All stolen items were recovered and transported to the West End Police Station for further investigation.

The exercise was led by Insp. Grant, coordinated by Ag. Sgt. Huggins, and supervised by Cpl. Garcia of the West End Criminal Investigations Department, Cpl. Khan of the Western Divisional Gang and Intelligence Unit, and PC Clement of the Western Divisional Task Force.

Enquiries are continuing.
